

## EOHA WOLVES, OSS ALMONTE, U16/U18/JUNIOR HOCKEY PROGRAM Mission Statement

We are located in the beautiful Capital of Canada, Ottawa, Ontario and its surrounding area. Our mission is to build a Hockey Program with a different voice, full of options, not built by politics but by hard work, transparency and honesty. We believe communication and honesty are key elements in creating an environment that will encourage and enhance the learning process allowing hockey players to develop into strong individuals on and off the ice. We want to be a positive ally for hockey players, as they develop their skill and character. We want

them to accomplish their goals. We will offer a program that is held accountable both fiscally and morally, while implementing a program of the highest quality. Our hockey program will consist of developing these main components within every player at each individual's pace.

### **SKILL**

We are all born with a different set of skill level, what we will do

is use creative and ground breaking methods to help the player make his weaknesses his strength, and his strength even stronger; on the ice, and off the ice.

### **HOCKEY I.Q.**

Understanding the game, using video and animations.

The WHY FACTOR to develop, not a robot, but a player who comes to understand why things happen on the ice thus, learning to trust his instincts.

### **SELF ESTEEM**

We will use nutrition, positive reinforcement, skill development, understanding and honesty. Players will learn how to deal with adversity in a constructive way. Hence, creating a productive person on and off the ice.

### **GOAL ORIENTED**

Player will set personal and team goals before the season starts.

COMMUNICATION, COMMUNICATION, COMMUNICATION IS THE KEY THAT OPENS THE DOOR TO THE SUCCESS OF THIS PROGRAM.

The ice time belongs to the individual player, how he chooses to use it, is the measure of success.

### Try out process will be as follows

(New Players) Please make contact with us, you will be sent an application form. You can also visit [O.S.S.](#) or [E.O.H.A.W.](#) website to [download](#) one. Prospective players and parents will be invited to an info meeting, date to be announced. Can be accommodated through Skype. Following the meeting if you decide you are interested in our programs, you will be invited to one of our ice sessions or Tournaments we are involved in.

What we look for in a player is five things!

Talent / Skill

Character

Goal Oriented

Team Player

Wants to have fun as he / she works hard.

\* Not in that specific order\*

We believe every player can practice a skill, and with hard work he/she can turn that skill or skills into a talent. Our goal is to help guide a player who is mentally and physically strong on and off the ice, and who will be able to understand the importance of Time management and become a goal oriented person

Our try-outs will be an ongoing process starting in the spring, and continuing on until our team is set by the end of July 2017.
